

For fun creative workshops that your young people are sure to love...keep it 'Street Style'

Workshops

Scroll down to browse our creative workshops for schools and other youth groups. If you can't find what you want please send us an enquiry and we will do our best to fulfil your request and tailor a session to meet your needs.

The creative workshops below are all super fun and highly **educational**... they're run by workshop leaders who are:

- CRB/DBS checked
 - Personally vetted by our founder, Sissy Rooney
 - Highly talented and respected in their field
 - Experienced at working with young people from a range of backgrounds
-

Creative Art Workshops

Graffiti Canvas Spray Painting Workshop

This street art workshop encourages young people to get creative with stencils and make their very own 'Street-Style' design pieces. The leader of our exciting new graffiti art workshops will teach your young people how to produce Banksy Style canvas.

<http://www.streetstylesurgery.co.uk/workshops/graffiti-canvas-spray-painting-workshop-34/>

T-shirt spray painting workshop

This popular fashion workshop is a **fab way to get young people creative** and switched on to the fashion and textile design process.

Your group will love having the freedom to apply **their own 'Street-Style' twist to a standard tee** – with a little help from top fashion designer and SSS founder Sissy Rooney... plus a stack of Banksy-esque stencils, fabric spray paints and bits and bobs.

<http://www.streetstylesurgery.co.uk/workshops/fashion-workshop-1-t-shirt-spray-painting-31/>

Art Workshop - Graffiti Mural Spray Painting

This new art workshop gives young people the opportunity to put their own 'Street-Style' graffiti imprint on their daily environment. Imagine how proud your young people would feel if their creativity was on show for everyone to see in the space where they spend their days...

<http://www.streetstylesurgery.co.uk/workshops/art-workshop-graffiti-mural-spray-painting-35/>

Mural Painting Workshop for Schools and Youth Groups

Think of the big picture - broaden creativity and develop confidence in this mural painting art workshop for schools and youth groups.

<http://www.streetstylesurgery.co.uk/workshops/http-www-streetstylesurgery-co-uk-workshops-mural-painting-art-workshop-73/>

Stop Motion Animation Workshop

This creative workshop for schools helps students create their own stop motion animations, from teaching the methods to watching their final product on YouTube.

<http://www.streetstylesurgery.co.uk/workshops/workshops-animation-school-workshop-69/>

Fun and Rewarding Photography Workshop

One of the most popular activities for children, our Photography Workshop is a great way to allow your young people a unique avenue of self-expression!

<http://www.streetstylesurgery.co.uk/workshops/fun-and-rewarding-photography-workshop-82/>

Trash to Treasure – Recycled Art Workshop

Our recycled art workshops reuse ordinary materials to create craft items and teach about recycling and sustainability in a fun environment.

<http://www.streetstylesurgery.co.uk/workshops/trash-to-treasure-recycled-art-workshop-86/>

Jewellery Making Workshop

On this fab fashion accessory workshop, your young people will learn how to make 'Street-Style' jewellery that looks a million dollars (but costs a whole lot less)

<http://www.streetstylesurgery.co.uk/workshops/fashion-workshop-jewellery-making-62/>

Creative Art Workshops Galore

From mask making to kite building, junk modelling to puppet making, Art Workshops for Schools and youth groups can actualize children's wildest imaginations! We can provide almost any creative arts making workshop, just ask

<http://www.streetstylesurgery.co.uk/workshops/creative-art-workshops-galore-95/>

Lanterns and illuminations workshop

This lantern making workshop is a highly creative workshop for schools and youth groups. It encourages community relationships, celebrates the changing of the season, and creates a spectacular festival or show.

<http://www.streetstylesurgery.co.uk/workshops/lanterns-and-illuminations-workshop-78/>

Screen Printing Poster Design Creative Workshop

Screen printing is a versatile skill with applications in a huge spectrum of professional and commercial industries requiring consistent and even ink applications en masse. Street Style Surgery offers a school workshop teaching the fundamentals of the screen printing process, focused on poster design that anybody of any age can learn.

<http://www.streetstylesurgery.co.uk/workshops/screen-printing-creative-workshop-for-schools-and-young-people-74/>

Fantastic Felt Workshop for Schools and Youth Groups

This creative workshop shows children and adults alike the fun and creative process of making felt. This hands-on art workshop will give children an opportunity to learn the techniques required to design and create their own felt fabric.

<http://www.streetstylesurgery.co.uk/workshops/fantastic-felt-workshop-for-schools-and-youth-groups-84/>

Fun Bookbinding Creative Workshop

This creative art workshop teaches young people how to make a variety of different sketchbooks through several bookbinding techniques. This allows students to use the bookbinding skills they learn repeatedly in the future.

<http://www.streetstylesurgery.co.uk/workshops/fun-bookbinding-creative-workshop-81/>

Sensory Enterprise Workshop - Positive Activities for Young People with Special Needs

This Sensory Enterprise Workshop focuses on providing positive activities for young people with special education needs. This unique experience encourages sensory engagement through an array of projects aimed to help participants create innovative products. The program can be adjusted to various needs and abilities in order to make them accessible to all.

<http://www.streetstylesurgery.co.uk/workshops/sensory-enterprise-workshop-positive-activities-for-young-people-with-special-needs-87/>

Creative arts - From memory books to future boxes (Adults & Young People)

This creative arts workshop offers adult learners the opportunity to capture precious memories, hopes and dreams for the future in beautiful handmade books and boxes. The perfect workshop for adults who have treasured items, which are tucked away and have most likely been forgotten about. From old letters and family photographs, to children's drawings and pressed leaves.

<http://www.streetstylesurgery.co.uk/workshops/creative-arts-from-memory-books-to-future-boxes-57/>

An introduction to Body Art, Theatrical and Special FX Make-up Workshop

Time for your young people to get creative and experiment with a face and body art kit on each other and sample our theatrical, special FX make-up workshop which covers many of the technical disciplines in the face and body art workshop but focus closely on the human anatomy and using contouring for the stage alongside character development so you can learn how to create dramatic characters and artistic make-up for the stage

<https://www.streetstylesurgery.co.uk/workshops/an-introduction-to-body-art-theatrical-and-special-affects-make-up-workshop-135/>

Wild Creations

Workshops and group work are an important part of a child's development as they encourage the child to work both independently and as part of a team. This workshop uses movement of the body to create personal works of art. This is a workshop which encourages its participants to get out of their heads and into their bodies by using embodied movement practices which enable them to embrace their creativity in a more mindful way.

<https://www.streetstylesurgery.co.uk/workshops/wild-creations-147/>

Create, Cook and Consume workshop

The core workshop offering covers a number of food themes such as one-pot dishes, take-away favourites, food for mood and concentration, cooking on a budget, health eating etc. Even different food cultures can be covered

<https://www.streetstylesurgery.co.uk/workshops/create-cook-and-consume-133/>

Fashion & Design Workshops

Screen Printing T-shirt workshop for fun, identity or profit

Screen printing is a very versatile process and gives professional and long lasting results. Your young people will be shown from scratch and in detail how to create a stencil and screen print it on to an end product.

<https://www.streetstylesurgery.co.uk/workshops/screen-printing-workshop-for-fun-identity-or-profit-137/>

Recycled Fashion Workshop - Gok Wan Style

Young people will view second-hand clothes in a different light after spending time on this Recycled Fashion Workshop. Our Recycled Fashion Workshop will show your young people how stunning fashion items can be created from cast-away clothing.

And your group will jump at the chance to put a 'Gok Wan style' twist on a cast-away item with the help of [workshop leader and SSS founder Sissy Rooney](#)

<http://www.streetstylesurgery.co.uk/workshops/recycled-fashion-workshop-gok-wan-style--37/>

T-shirt spray painting workshop

This popular fashion workshop is a **fab way to get young people creative** and switched on to the fashion and textile design process.

Your group will love having the freedom to apply **their own 'Street-Style' twist to a standard tee** – with a little help from top fashion designer and SSS founder Sissy Rooney... plus a stack of Banksy-esque stencils, fabric spray paints and bits and bobs.

<http://www.streetstylesurgery.co.uk/workshops/fashion-workshop-1-t-shirt-spray-painting-31/>
